Dear Mr. Ramel:

Thank you for your letter of February 20, 1974, in which you request certain information concerning the fate of Mr. Raoul Wallenberg, on behalf of his mother, Mrs. Maj von Dardel.

First, let me say that I sympathize deeply with the efforts of Mrs. von Dardel to find out definitely what happened to her son. It is indeed tragic that so many years after the end of World War II her son's fate remains undetermined. Further, I am fully conscious of the humanitarian contribution made by Mr. Wallenberg in saving so many from the Nazi concentration camps.

In response to your request, and that of the Swedish Government, a search was made of our files to determine if the United States Government possessed any information which might be helpful in shedding additional light on the fate of Mr. Wallenberg. Unfortunately, this search disclosed no data in our files which would be of assistance in clarifying the fate of Mr. Wallenberg, and the Swedish Government will be informed accordingly.

I am sorry that my reply cannot be more encouraging.

Best regards,

Henry A. Kissinger
